

The Book of Proverbs

WINTER/SPRING STUDY 2018

The Book of Proverbs is an anthology of wisdom sayings having different authors and dates of origin. The main contributor and inspiration for the work was King Solomon. Proverbs is one of the Wisdom books of the Old Testament and is written in several poetic styles.

Our study's focus will be understanding the importance of knowing how to be prudent; discovering what would be the most wise choice in certain circumstances; and putting into practice the wisdom found in the pithy statements that make up the Book of Proverbs.

Participants should bring their Catholic Bible and be ready to ponder how we can put the wisdom of the ages to use in our daily lives. Each week stands on its own so newcomers are always welcome. Please join us **Wednesday mornings** in Smith Hall from **9:30 to 11:00 a.m.**
