The Knights Of Columbus and Shepard community blood center held five Blood Drives at St. Mary's during 2019 with a total of 182 donors from our Church, St. Gerard's and Our Lady of Peace.

In past years we were able to have five drives at St. Mary's and one at the chocolate festival, but because of liability issues, we were unable to have a drive at the chocolate festival this year. The chocolate festival drive would have given us approximately an additional 50 donors
