Fall 2026 Session:

What Every Catholic Needs to Know About the Bible

With Mathew Arnold, Michael Barber, Scott Hahn, Brant Pitre, and Jesse Romero

In this fact-filled study we will discover the “Gospel Truth” about the Bible and share the truth about the inspiration of Sacred Scripture, the formation of Biblical canon, the crucial role of the Church’s Tradition in Biblical interpretation, and the history of the Bible and Biblical translations. In this study we will discover:

- How the Bible was compiled
- What the word “Testament” really means
- Why the Bible is primarily a “Liturgical Book”
- How the Mass is “the Bible in action”
- Why it is necessary to properly interpret Sacred Scripture
- How discovering the literary form used by the inspired authors helps us understand the Bible
- What is the history of Biblical translations

The Bible Timeline: The Story of Salvation

The Great Adventure Bible Timeline is a learning system showing us how to see the “big picture” of the Bible by focusing on the story that runs throughout Sacred Scripture. We will explore the biblical narrative in the 14 narrative books in light of Catholic teaching and historical, cultural, and literary context of the Scriptures to discover what Scripture reveals about God’s plan and our place within it.
